

## PETROCHEM CARLESS

EMS / Part 1 / Volume 1 / Chapter 1.0 / Issue 3

### The Petrochem Carless Environment Policy

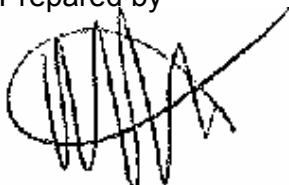

Petrochem Carless Ltd is an independent manufacturer and distributor of hydrocarbon solvents and specialist fuels operating from a refinery at Harwich. The Harwich Refinery is supported by a Sales and Back Office Team based in Leatherhead, Surrey. The EMS is applicable at Harwich Refinery.

It is Petrochem Carless Policy to conduct its business in a responsible manner. To this end the Company shall

- Comply with all applicable legal requirements and any other requirements which relate directly to the environmental impacts.
- View the management of the environment as everyone's responsibility.
- Ensure all of their employees are full aware of the impact of their actions and activities
- Strive to prevent undue pollution of the environment through the delivery of appropriate operating practices, information and training.
- Commit to continuous improvement in environmental performance throughout its operations by setting and reviewing objectives and targets

This Policy is endorsed by the Chief Operating Officer (COO) and reviewed every three years.
